Cardholder has ability to “View All Transactions” The screen view is the same view as the Administrator can see on BennyCentral.

Cardholders have ability to see account balance declines (with reasons) and substantiation information.

Pending = Trnx is pending substantiation

Documentation Required = Indicates to cardholder that a Follow Up letter will be or has been generated.

Cardholders can click on the link in “Settlement” column to view more detail

- Clicking on Documentation required will show Cardholder if letter has been generated.

Transaction Activity Detail

Cardholder can click on the link in the “Type” column to view more detail about the transaction. This is particularly useful when viewing Declined transaction and those that are marked as “Documentation Required”.

Sample Transaction Activity Detail screen for a “Documentation Required” Transaction:

The screenshot displays the 'Transaction Activity Detail' screen for a cardholder. The left sidebar contains navigation links such as 'Cardholder Admin', 'Home', 'Cardholder Profile', 'Cardholder Activity', 'View All Activity', 'Activity Dispute Form', 'Cardholder Reports', 'Cardholder Statement', 'Cardholder Spending by Service', 'Cardholder Services', and 'IIAS Merchants'. The main content area is titled 'Cardholder's Name: Evolution Benefits Inc' and 'Cardholder's ID: [redacted]'. It includes a 'Tools' section with links to 'Education Center' and '90% Rule Merchants'. The 'Cardholder Activity > Detailed Activity Info' section shows client and merchant details, including authorization code, log ID, reference number, merchant name, and merchant number. Below this is a table for 'Accounts Affected' with one entry: FSA2009, Amount (\$42.00). A link for 'Activity Dispute Form' is present. The 'Substantiation Info' section includes a 'Cardholder Follow Up' table with two rows: 'First Request' (8/13/2009 7:52:00 AM) and 'Second Request' (9/17/2009 4:00:00 PM), each with a 'Regen Letter' link. A red annotation with an arrow points to the 'Regen Letter' link for the first request, stating: 'Cardholder can see when Doc Request generated by TPA and can re-generate their own letter'. A 'Return to Summary' link is at the bottom right.

Transaction Disputes

Cardholders have the ability to complete a transaction dispute form from within mybenny.com. Cardholders would access the transaction detail for the transaction in question and click on the following “Activity Dispute Form” link. This will open up a printable form for the cardholder to complete and mail or fax into Evolution Benefits Transaction Dispute Services

The screenshot displays the 'Transaction Activity Detail' screen for a cardholder, similar to the previous one. The main content area shows the same cardholder and merchant information. The 'Accounts Affected' table is identical. A red annotation with an arrow points to the 'Activity Dispute Form' link, stating: 'Cardholder can click on Dispute form in order to complete a Txn Dispute for a txn that cardholder believes to be fraudulent'. The 'Substantiation Info' section and 'Cardholder Follow Up' table are also present. A 'Return to Summary' link is at the bottom right.

Transaction Dispute Form

Cardholder should complete ALL fields on the Transaction Dispute Form. Once complete, the cardholder will sign the form and fax/mail the form to Evolution Benefits – Transaction Dispute Services
